

# California Gnatcatcher Habitats

## Impacted by Planned Road Projects

t

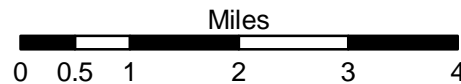

-  Impacted Habitats
-  Safe Habitats
-  Existing Roads
-  Planned Roads
-  San Diego County

**Notes:**

1. California gnatcatcher (*Poliptila californica*) habitat analysis for San Diego County, CA.

2. Safe gnatcatcher habitats based on satisfactory climate, slope, and distance from road. Road buffer depends on size and usage of road.

**Date:** 25 January 2007

**Cartographer:** R. Terrance Egolf

**Class:** GMT-230

**Instructor:** Amy Daniels
